

Why Choose Global Payments?

Grow your business with a world of payment technologies and software solutions

Global Payments is a leading worldwide provider of payment technology and software solutions. More than a payment processor, we wrap value around transactions to provide businesses with what they need to run more effectively.

As your partner of choice, we make it easy to do business with us. Global Payments is your single source provider, delivering a broad range of solutions that allow you to accept all major payment types across a variety of distribution channels – in person, online or on-the-go – to help you meet customer demand and grow your business.
